

Ministry of Higher Education and Science

Danish Agency for Science and Higher Education

## The Danish Committees on Scientific Dishonesty

## Workflow of investigation

Allegation of research misconduct by any individual or institution

Verification that the allegation fall within the mandate of DCSD

Assignation to the appropriate sub-committee

Investigation by the committee incl. hearing of the parties, obtaining of expert opinions, statements, etc.

## **Decision**

The DCSD determine whether or not research misconduct has taken place and issue a ruling. It is up to the institution concerned to take measures and apply appropriate sanctions

The DCSD is a decision making body and has legal competence!
